

HOW TO GET A CARRY PERMIT IN MARYLAND?

CAN YOU GET A CARRY PERMIT IN MARYLAND?

While over 40 states are "must issue" jurisdictions, believing that the protection of their inhabitants is a sufficient reason to carry a firearm, Maryland is in a different league.

We are commonly asked how I can acquire a handgun permit in Maryland. "Good luck," I'd say, but that's not the case! We have aided hundreds of people, some of whom do not even live in Maryland, in acquiring a permit to carry a handgun. when it comes to giving carry licenses. But, because I'm sure I'll hear worse, you can get a permit if you qualify.

WHO QUALIFIES FOR A PERMIT?

FOUR GROUPS QUALIFY TO CARRY A FIREARM IN MARYLAND.

1. Business Owners

- If you own a business, whether an Inc, LLC or a sole proprietorship you qualify
- We offer these classes every month. If you are thinking of starting a business, take the training!
- The certification is good for 2 years, that should give you plenty of time to get up and running.

2. Domestic Violence Victims

- They too mostly get a license very easily.
- We have helped many victims of abuse , strangled or stabbed or shot to get the permit.

3. Threat on Your Life

- You will need to prove that your life is under threat it requires some sort of evidence sometimes.
- Few cases got the permit without the police report.

4. Assumed Risk Position

- You may become a target of persons or groups, both domestic and international, who desire to attack you as a result of your work.
- Please contact us if you have a delicate work; we are willing to explore options.

**If you do not fit into one of the four categories,
you will not qualify for a permit in Maryland.**
